

2019 Pudwill Missions Scholarship Application

sponsored by: GracePoint Wesleyan Church (Brookings, SD)

ABOUT THE SCHOLARSHIP

Burnell & Delores Pudwill arrived in Haiti in 1974 and ministered faithfully for 30 years. They built churches and schools, drilled 100s of wells, and ministered to 1,000s of patients medically until Delores' health forced the couple to return home to Flandreau, SD.

In November 2003, they became the first missionaries selected to the Missions Hall of Honor at GracePoint. Delores died in 2005.

Burnell has continued his ministry in Haiti, returning regularly, as well as spending time in South Dakota and Winnipeg, Canada, with his wife Marie and girls.

The Pudwill Scholarship was first awarded in 2005. It typically ranges from \$500 to \$1,000.

Primary scholarship qualifications include: (1) interest in a missions career, (2) short-term missions experience, (3) a major in pastoral ministry, Christian education, nursing or other medical career, and a (4) junior, senior or graduate student. Secondary considerations may include: (1) member of The Wesleyan Church, (2) attendance at a Wesleyan college/university, and (3) grade point average of 3.0 or above.

The GracePoint Wesleyan Global Outreach Team administers the scholarship on behalf of Rev. Pudwill.

High school sweethearts, Burnell & Delores were married in 1948. As a licensed practical nurse, Delores ministered to over 100,000 patients in 30 years, sometimes more than 300 a day. Burnell preached, performed minor surgeries, extracted thousands of teeth at dental clinics, and has drilled close to 500 wells.
